

**FIRST**, print out this Qualified Subscription Application Form. Once completed—and please be sure to **SIGN it**—you may return it by mail or FAX—or scan and PDF it and e-mail it back to us:  
**FAX:** (510) 839-2950 • **E-MAIL:** circ@testmagazine.biz

**MAIL TO:** TEST Engineering & Management  
 Attn: Circulation Department  
 3756 Grand Avenue, Suite 205  
 Oakland, CA 94610-1545

**MAGAZINE SUBSCRIPTION APPLICATION FORM**

TEST Engineering & Management is **FREE TO QUALIFIED READERS** in the U.S. & Canada.

Paid (non-qualified) U.S. subscriptions, \$65/year. Foreign subscriptions, \$75/year; remittance in U.S. dollars only.

- New Subscription
- Address change
- Renewal

Does your work relate to reliability/qualification test engineering or management or its supporting functions? If so, do you wish to receive TEST Engineering & Management magazine?  yes  no

**TO QUALIFY FOR A FREE SUBSCRIPTION, YOU MUST PROVIDE ALL INFORMATION REQUESTED IN SECTIONS 1-5 BELOW. PLEASE PRINT!**

**DATE:** \_\_\_\_\_

**1. NAME & ADDRESS:** SIGNATURE: \_\_\_\_\_

Name \_\_\_\_\_ Title \_\_\_\_\_

Company name/division \_\_\_\_\_

Company address \_\_\_\_\_ M/S \_\_\_\_\_

City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_ + \_\_\_\_\_

Phone \_\_\_\_\_ Ext. \_\_\_\_\_ FAX \_\_\_\_\_

E-mail: \_\_\_\_\_ Mother's maiden name (for Web access): \_\_\_\_\_

Send TEST to above  **OR** home address : \_\_\_\_\_

City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_ + \_\_\_\_\_

**2. BUSINESS OF COMPANY/ORGANIZATION:**

What end products/services are produced at your company location? **Check ONE OR MORE boxes:**

**ALSO indicate the ONE letter that shows your company's PRIMARY end product.**

- A.** Aerospace
- B.** Military/government equipment/systems
- C.** Research & development
- D.** Measurement & control equipment/systems
- E.** Consulting & engineering services
- F.** Testing services
- G.** Automotive
- H.** Consumer products
- I.** Environmental test equipment/facility mfg.
- J.** Education & training
- K.** Rotating machinery/power generation
- L.** Other (please specify) \_\_\_\_\_

About what percentage of your business is related to aerospace engineering/testing?  
 0%  1-33%  34-66%  67-100%

About what percentage of your business is related to automotive engineering/testing?  
 0%  1-33%  34-66%  67-100%

**3. TYPE OF JOB:**

What category covers your **PRIMARY** organizational title? **Check ONLY ONE box:**

- T. Mid-level technical/engineering management** (directors or assistant directors of test engineering, project managers, group leaders, section heads, department heads, supervisors, engineers, scientists, researchers, etc.)
- U. Top-level technical/engineering management** (corporate officers, owners, presidents, vice presidents, government agency heads, etc.)
- V. Technical/professional** (engineers, scientists, researchers, etc., with **NO** managerial/supervisory authority)
- W. Professional & supporting services** (consultants, educators, technical librarians, technical sales & marketing people, service engineers, etc.)
- X. Top-level non-technical/non-engineering management** (corporate officers, owners, presidents, vice presidents, government agency heads, etc.)
- Y. Technical/non-professional** (facility operators & maintainers, instrumentation specialists, etc.)
- Z. Other** (please specify) \_\_\_\_\_

**A CofA**  
**R K**  
**LR D**

**4. JOB FUNCTIONS & RESPONSIBILITIES:**

What are your job responsibilities and/or functions? **Check ONE OR MORE boxes:**

**ALSO indicate the ONE number that shows your PRIMARY job function/responsibility.**

- 1.** Data acquisition & measurement  Mfr.  User
- 2.** Dynamics test & evaluation (vibration, shock, acoustics, etc.)  Mfr.  User
- 3.** Climatics test & evaluation (temp., humidity, etc.)  Mfr.  User
- 4.** Research & development
- 5.** Product & package testing (prod. fragility testing, distribution dynamics, etc.)
- 6.** Reliability assurance
- 7.** Materials evaluation  Mfr.  User
- 8.** Nondestructive testing  Mfr.  User
- 9.** Environmental stress screening  Mfr.  User
- 10.** Modal/structural analysis  Mfr.  User
- 11.** Process/quality control
- 12.** Safety testing
- 13.** Regulatory compliance/verification
- 14.** Space simulation  Mfr.  User
- 15.** Other (please specify) \_\_\_\_\_

**5. PURCHASING INFLUENCE:**

Over the next 12 months, do you plan to specify, recommend, or authorize the purchase of:

- 50.** Dynamic test  Equipment  Service
- 51.** Climatic test  Equipment  Service
- 52.** Product & package testing  Equipment  Service
- 53.** Biomedical test  Equipment  Service
- 54.** Automotive test  Equipment  Service
- 55.** Other (please specify) \_\_\_\_\_

How much spending can you specify, recommend, or authorize?  
 None  \$5,000 or less  \$5,000 to \$10,000  
 \$10,000 to \$25,000  \$25,000 or more
